

Corporate and Business Registration Department (CBRD)

COMMUNIQUÉ

“ALL SUBMISSIONS RELATING TO REPRESENTATIVES”

The Corporate and Business Registration Department (CBRD) wishes to inform all stakeholders that the **MNS platform** will be fully operational for the submission of representatives with effect from **08 June 2026**.

Accordingly, as from this date, **all submissions relating to representatives must be made exclusively through the MNS platform**. Submissions by email will no longer be accepted or processed.

Stakeholders are kindly requested to ensure strict compliance with this new requirement in order to facilitate efficient and standardised processing of applications.

Exceptional Circumstances

Notwithstanding the above, submissions may be made through the **User Dashboard (UD)** or by email only in the following cases:

- Where a representative ceases to act and no replacement representative is being appointed;
- Where the representative is a partnership entity;
- For partnership entity applications, submissions may be made by email or at the CBRD counter;
- Any other exceptional circumstances expressly approved by the CBRD on a case-by-case basis.

The CBRD appreciates the cooperation of all users as it continues to modernise and enhance its service delivery systems.
